

# Hold Me

©2005 Debbie George

Am C D Am C D  
Here I Am again, looking for the passion that I once knew  
Am C D  
And I've been wandering through the wilderness  
Am C D  
Looking for the road that leads to You  
Am C D  
And all I really know is that I need You  
Am C D  
All I really want is just the touch of your hand  
Am C D  
Wanna feel Your Spirit moving through me  
Am C D  
Bring me close, close to You again  
D A  
And this is my plea

(Chorus)

Em G D A  
Heal my heart and saturate my soul, hold me Lord, Hold Me  
Em G D A  
Take this wandering heart and make it only Yours, hold me Lord, Hold Me  
Em G D A  
Burn away the scars of wasted years, Hold me Lord, Hold Me  
Em G D A  
Take me in Your arms, and Hold me Lord.  
Em G D A  
Take me in Your arms, and Hold me Lord

So here am at Your mountain, on my knees before Your throne  
And I've been waiting for your fire, to come and purify my soul  
And all I really know is that I need You  
All I really want is just the touch of Your hand  
Wanna feel Your spirit moving through  
Bring me close, close to You again  
And this is my plea
