Capo first fret

(Chorus)

G Am C G  
Help Me Lord, I'm calling out to You  
G Am C G  
Why don't I do the things, that I know I oughta do  
G Am C G  
Because I know Your word calls me to be light  
F G  
Oh Help me Lord, to understand  
Am C G  
My Life, oh oh oh  
My Life, oh oh oh

**Verse 1**

Am C G  
Another day, another time, when I just couldn't seem to get it right  
Am C G  
So many things pulling me from you  
Am C G  
When will I learn, when will I see, My Jesus fully formed in me  
Am C G  
This is what I'm holding on to  
G F  
Oh Lord will You see me through  
F G  
To be more like You.

**Verse 2**

Am C G  
There's a war going on inside, Where my soul and spirit fight  
Am C G  
And the world's trying to change my view.  
Am C G  
But in the deepest part of me, what I really want the world to see  
Am C G  
Is that I delight in you  
G F  
Oh Lord you know I do  
F G  
I Delight in YOU.
